Asian Oceanian Society (AOS) of Neuroradiology and H&N Radiology

Dear Dr. Cha Sang-Hoon,

Announcement of the AOCR SGCR-WIRES 2026 Conference

On behalf of the Organising Committee of **AOCR SGCR-WIRES 2026**, I am delighted to announce the **24th Asian Oceanian Congress of Radiology (AOCR 2026)**, held in conjunction with **SGCR-WIRES 2026** (34th Annual Scientific Meeting of the Singapore Congress of Radiology and 16th Workshops in Interventional Radiology Education Singapore). The conference will be held from **20–23 August 2026** at **Singapore EXPO**.

With the theme **"Imaging Beyond Borders, Shaping a Sustainable Future"**, AOCR SGCR-WIRES 2026 will bring together over a thousand participants from across Asia Oceania and beyond, including radiologists, interventional radiologists, nuclear medicine physicians, radiographers, nurses, and industry partners.

The scientific programme will feature renowned experts from around the world, exploring the evolving landscape of radiology amid demographic shifts, rising healthcare demands, technological disruption, and the urgent need for sustainability in healthcare. Delegates can look forward to exciting plenary lectures, subspecialty symposia, interactive case-based sessions, and hands-on workshops with a strong focus on **real-world practice, AI, imaging informatics, and sustainable radiology**.

Highlights include the **"AOCR meets Mayo Clinic Abdominal Imaging Masterclass"**, the **East Asian Imaging Informatics and AI summit** and **joint sessions with regional and international societies** such as the Radiological Society of North America, Korean Society of Interventional Radiology, Hong Kong College of Radiologists, Asian Oceanian Society of Paediatric Imaging and others.

This joint meeting will include **dedicated content across a broad range of topics**, including:

1. Interventional Radiology
2. Abdominal Imaging
3. Head and Neck / Neuroradiology
4. Musculoskeletal Radiology
5. Paediatric Radiology
6. Cardiac and Thoracic Imaging
7. Breast Imaging
8. Nuclear Medicine
9. Informatics and AI
10. Radiography
11. Nursing

In addition, our **industry exhibition and trade show** will showcase the latest advances in imaging equipment, interventional devices, informatics platforms, and AI-enabled solutions from regional and global partners.

We warmly welcome **international delegations and partner societies**, and would be pleased to assist with group registration arrangements for your members.

We look forward to welcoming your delegation to Singapore for what promises to be a dynamic, insightful, and inspiring gathering of imaging professionals from across the Asia-Oceania region and around the world.

Thank you very much for your support.

Yours sincerely,

Dr Charles Goh
